

January News

Happy New Year!!!... We want to wish all of our families a very happy and healthy 2019, and thank

you for the tremendous support you have given us through 2018. We hope everyone enjoyed the winter break among families and friends.

We are launching into the second part of the academic year, and as the growing and learning of our students never stop, our school continues to grow and expand with them to meet their needs and support their development.

With great excitement we welcome the new students and their families that have recently joined our school community. Also, having students transition from one class to another is a reason to celebrate. New adventures and experiences await them in their new classrooms!!

Students are back, and with more eagerness to discover and learn new things than ever. It is very satisfying to see our children happy to be back to school, meeting with their friends and teachers, engaging in activities that meet their developmental needs and challenge them in the process of discovering more about themselves, each other, and the world that surrounds them. Hard work, perseverance, and commitment to our students and community are the three key words that keep us growing and moving along with every step we take to fulfill our mission of providing a rich, nurturing and fun experience of education to children in their early ages.

New materials and re-arranged areas of work have been prepared for our students and they have already began working on and enjoying them as part of their daily activities.

Extra Curricular Programs are at this moment being arranged. More information regarding the classes that we are offering this semester will go home soon. Please stay alert for any notes coming from the office.

I would like to take this opportunity to publicly **Thank** Ms. Sue, Ms. Ydelixsa, Ms. Nessereen, Ms. Maria R., Ms. Guadalupe, Ms. Samah, Ms. Maria S., Ms. Melissa and Miss Jackie for their everyday hard work and dedication to our school and students in some many ways. Your children cannot be in better, caring hands. Thanks again ladies, *you are the best!!*

Happy January everyone!! Keep warm and safe!!

Miss Alejandra

100

100 DAYS OF SCHOOL

On Thursday, January 17th our students will be celebrating 100 days of school. Some special activities will be planned for the day. We'll let you know of the project that children will be working on at home with their parents.

WINTER IS HERE!

We would like to remind parents about labeling your child's belongings to avoid confusions! Many of our students have, if not the same, very similar winter gear and it's easy for them to grab the wrong coat, hat, mittens, etc. Please make sure your child takes home what it belongs to him/her. Also, do not send snow pants in yet. If we are planning to go outside with the

children, we will announce it via Remind app the day before to let you know it's ok to bring snow pants to school. We appreciate your cooperation specially, because we do not have enough space to keep them at school. Remember:

no backpacks or any other type of bags. Just a lunch box!

PIZZA & MOVIE NIGHT

Thinking of joy and fun activities to do with our students, our School's annual "Winter Pizza & Movie Night" is coming up. What a great time we **all** had in the past Pizza & Movie Nights!! Children in their pajamas, blankets, pillows and stuffed animals everywhere. A sweet movie and food to eat. We are certainly looking forward to our next Pizza & Movie Night here at Children of the Earth Montessori School on Friday, February 1st from 6-9pm. More info coming up soon!
