

September News...

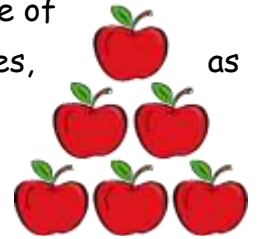

Summer days are over. We certainly enjoyed playing at the sand box, sprinklers, and riding our bikes, tricycles and scooters during the hot summer days. Now it's time for a new chapter!

We are building our classroom communities as our students quickly get to know their new friends and teachers, and continue adjusting smoothly to their new environments and routines. The enthusiasm that our new and returning students show is contagious. If you should visit our environment, you will observe areas that include Practical Life, from which all development and work flow. The other areas of the environment include Sensorial, Math, Culture, Language, and Art and Science. Our Peace corner provides us with the opportunity to teach children positive conflict resolution and maintain conversation. In addition, we have been learning how to develop Order, Concentration and Independence through the project work available in each area of the classroom.

Teachers are also adjusting and learning to know each child individually as we follow Dr. Maria Montessori's words, "**follow the child**". Knowing each child as the individual he/she is help us as educators to recognize the unique personality and needs of each young being. We seek to provide each child with an authentic Montessori experience as

we have carefully prepared the environments to assist and support your child's educational journey through this new school year. Our students seem to be happy and prepared to the year ahead of us. The 2019-20 academic year promises to be a great one!!

As the month of September begins, our classes are open to take in and learn all what this month has to offer us: cool mornings, warm days, and a sweet taste of apples. And speaking of apples, as part of our curriculum for this month, we'll be learning all about them. Special activities and projects have been planned for this month. Please check the September calendar!

We welcome and look forward to working with our parents to be part of the community we are building. We truly hope to become partners with all of you as we continue to build on inspiring our students to greatness.

I'm delighted to have you with us this year. We have a lot of good things in store for you!

HAPPY SEPTEMBER!!

Ms. Alejandra

What's Happening in September?

- Monday, September 2nd No School- **Labor Day observance.**
- Sunday, September 15th from 1-4 pm "**Back to School Picnic**" -. Save the date!!

• Wednesday, September 25th "Parent Night"

• September 30-October 1 "School Picture Days". Please check the information on your child's folder in regards of Picture Days.

After School Enrichment Programs

Registration forms for Tumbling, Dance, and Kikaroo and Classes are enclosed in your

child's folder. If you are interested in signing up your child to any of these programs please do it ASAP. First come, first serve! Information for the Art Program will be sent home later.

Reminders to Parents

- Tuition slips are usually enclosed in your child's folder or given to you at the door at drop off or pick up time. Please make sure to send in your payment by the due date specified on the slip. Your collaboration is appreciated!
- Your child takes home his/her folder daily or as needed. Please review and return your child's folder by the following day!!

Parent Tip for the Month

• **Positive Family Communication:**

Encourage adults in the family to express themselves positively and respectfully, engaging children in conversation by inviting their input and participating on activities of everyday home life.
